Information message

It is our great pleasure and honor to invite you to the 10th Korea/Japan/Taiwan Cytotechnology Joint Meeting to be held in Incheon, Korea on 23rd of March 2019.

This meeting is held under the sponsorship of The Korean Association of Cytotechnologists (KACT), The Japanese Society of Cytotechnologists (JSC) and The Taiwan Society of Cytotechnologists (TSC). It's also a great opportunity to exchange your thoughts and experiences from your daily cytotechnological practices in this joint meeting among our three countries. Hopefully, this meeting will continue and contribute to the development of Asian cytotechnology.

We would like to invite you to participate actively in this meeting and welcome any scientific presentations including case reports: Please contact Choi YH(amy418@hanmail.net) or Nambu MN (nanbu@kumamoto-hsu.ac.jp) or Ko JS (jsko@kfsyscc.org) promptly for further details.
